Thanks so much, David. I'll send these to the reporter and refer her to the State Bd for the other documents.

Have a great weekend.

Nahal

Hi Nahal, here is the SWRCB response that we received Sept 15<sup>th</sup>. I thought that this information was already provided to the AP, but perhaps my memory is incorrect (would not be the first time!). As for the other deadline in the email message you sent (Jan. 5<sup>th</sup>), as I noted, this was a deadline for DOGGR to provide information to the State Board and EPA does not yet have anything that might have been submitted (AP can contact the State Bd, I suppose). I am not suggesting we don't care whether DOGGR provided anything to the Bd, it's just that the obligation they had was to provide info specifically to the State. I hope that helps (and sorry for the delay in getting this to you). Let me know if you have further questions. Thanks, David
